

ENGINEERING & COMPUTER SCIENCE

Date Posted: 5/5/2011

Region: Quebec

Institution: Concordia University

Discipline: Engineering

The Concordia Institute for Information Systems Engineering of the Faculty of Engineering and Computer Science, Concordia University, Montreal, invites applications for a one-year, limited term appointment in Information Systems Security beginning August 2011. Applicants must possess a PhD in the area of Electrical and Computer Engineering, or a related discipline. Candidates must also possess a strong expertise in the following: Networking Security, Operating Systems Security, Application and Middleware Security and Cyber Forensics. The candidate will be expected to teach graduate courses in the Information Systems Security Master Programs.

Applications should consist of a cover letter, a current curriculum vitae, a statement of teaching philosophy/interests, and evidence of teaching effectiveness. Candidates should also arrange for three letters of reference to be sent by their referees directly to:

Dr. Mourad Debabbi, Director of CIISE, at director@ciise.concordia.ca.

Although electronic applications are preferred, hard copies may be sent to:

Dr. M. Debabbi, Director, CIISE,
Concordia University,
1455 de Maisonneuve Blvd West,
Room EV 7.640,
Montreal, Quebec H3G 1M8;
Email: director@ciise.concordia.ca.

Only short-listed candidates will be notified. Knowledge of the French language would be an asset. All qualified candidates are encouraged to apply, though Canadian citizens and permanent residents of Canada will be given priority. Concordia University is committed to employment equity. All applications should be received no later May 31, 2011; however, applications will be reviewed as they are received.
